5 Junction Street Seddon VIC

3 **1** **1**

The allure of a quiet cul-de-sac setting and the appeal of proximity to Victoria Street's cafes, Seddon station and Footscray City Primary School - among many other attractions - complement the personality and the proportions of this instantly engaging address. Substantial living and dining spaces featuring the natural beauty of polished floorboards are served in style by a kitchen where a contemporary profile includes tiled splash-backs, stainless steel appliances and quality cabinetry. Three double bedrooms and a modern bathroom deliver desirable accommodation to a design further enhanced by reverse cycle heating/cooling, courtyard garden entertaining and off street car parking.
